Interactive Story Bible

Egermeier's Interactive Story Bible is unlike any other story Bible you've seen. By organizing the 300+ stories chronologically, kids can better understand how each story fits into the entirety of the Bible. Original animation-style artwork and a series of QR codes linking the stories to quick-sketch videos make this a truly interactive, multi-media story Bible loved by kids and adults alike. Additional study aids include colorful maps, a guide to the parables of Jesus, study questions, and more!
