## About This Catalog

All prices in this catalog are in U.S. dollars. **All prices, discounts and product availability are subject to change without notice.** Due to volatile prices of materials, the cost to produce many products has risen significantly. While Warner Christian Resources attempts to absorb as much of this increase as possible, it may be necessary to raise our prices in order to continue production of certain items.

*Effective dates of this catalog are January 1, 2022 - June 30, 2022*

# CRAYON KINGDOM A STORY OF UNITY

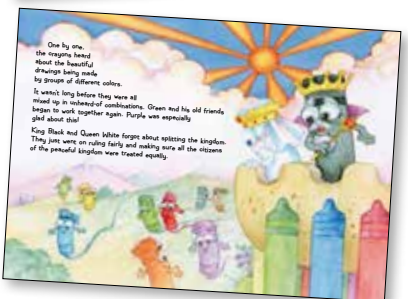

## Crayon Kingdom

by Jennie Bishop

9781684340347  
Paperback • Full Color  
11" x 8.5" • 32 pages  
\$9.99

Other crayons stopped their work to watch as Green did what he did best. When they saw the green leaves they were amazed at how perfect they looked with their crown.  
"Will you draw some of those on my leg, blue?" asked an orange who was looking over Green's shoulder.

One by one, the crayons heard about the beautiful drawings being made by groups of different colors.  
As weeks long before they were all mixed up in buckets of combinations, Green and his old friends began to work together again. Purple was especially glad about that!  
King Black and Queen White forgot about splitting the kingdom. They were on ruling fairly and making sure all the citizens of the peaceful kingdom were treated equally.

Crayons of every color are happily drawing their world. But when Green decides his life might be better if he could only work with other greens, trouble comes to the Crayon Kingdom. Soon, his idea spreads to other crayons. Will their world be as beautiful in only one color?

Children will enjoy this tale about how we are each uniquely designed to work together to create God's masterpiece. The story celebrates the beauty of diversity as well as the blessing of unity we find in Psalm 133:1 (MSG): *How wonderful, how beautiful, when brothers and sisters get along!*

In this six-week study from the Book of John, Rachael Groll takes you on an in-depth exploration into the lives of six women Jesus knew. Women often deal with feelings of insecurity and unworthiness, yet the lives of these women show that Jesus values us, wants a relationship with us, and can use us to further His kingdom. In her warm, conversational style, Rachael ties together her life experience, knowledge of the Scriptures, and her compassion for women to encourage us and enable us to become the women God has called us to be.
